

#### **INFILCO DEGREMONT, INC.**

Accelerator<sup>®</sup> softeners, Greenleaf filters, DensaDeg<sup>®</sup>, AquaDAF<sup>™</sup> flotation. Climber<sup>®</sup> screens, ABW<sup>®</sup> filters, Cannon<sup>®</sup> digester mixers, 2PAD<sup>™</sup> Class A sludge treatment. Meteor<sup>®</sup> Activecell<sup>®</sup> MBBR system.

#### **SANITAIRE / ABJ**

Gold Series (new) and Silver Series (SSII & LP) membrane and ceramic fine bubble diffusers, coarse bubble diffusers. SBR Technology featuring the ICEAS<sup>®</sup> process.

#### **HIL / EUTEK SYSTEMS, INC.**

Headcell<sup>™</sup> grit concentrator, Slurrycup<sup>™</sup> grit slurry classification and separation. Grit Snail<sup>™</sup> grit dewatering. Grit King<sup>®</sup> vortex separator.

#### **SEVERN TRENT WATER PURIFICATION, INC.**

Tetra Denite<sup>™</sup>, DeepBed<sup>™</sup> and storm flow filters. U and LP underdrain block. Bayoxide E33 for arsenic removal; phosphorous removal.

#### **WESTECH, INC.**

Clarifiers, OxyStream<sup>™</sup> oxidation ditch process, anaerobic digester covers, mixers and heat exchangers, lime sludge thickeners and vacuum filters, DAF, MBR, Nordic Water SuperSand and SuperDisc.

#### **ORICA WATERCARE**

MIEX<sup>®</sup> ion exchange resin process for removal of DBP precursors, organics, color and sulfide.

#### **ELECTROLYTIC TECHNOLOGIES**

Klorigen<sup>™</sup> onsite generation of atmospheric chlorine gas, sodium hydroxide and/or 12% sodium hypochlorite.

#### **FLOTTWEG**

Thickening and dewatering centrifuges.

#### **TOMCO EQUIPMENT COMPANY**

Liquid carbon dioxide storage and PSF carbonic acid feed systems for recarbonation and pH control.

#### **HUBER TECHNOLOGY**

Fine mechanical bar screens including the Step Screen<sup>®</sup>, Rotomat<sup>®</sup>, Escamax<sup>®</sup> and RakeMax<sup>®</sup>. Sludge disc thickener and screw press. Septage equipment.

#### **HSI, INC.**

Turbo and multistage blowers. Automated control systems.

#### **EXCELSIOR BLOWER SYSTEMS, INC.**

Package blower systems using Gardner Denver positive displacement blowers.

#### **VIKING CHAINS GROUP**

Rectangular clarifier and DAF components. Chains, sprockets, flights and bearings.

#### **INDUSCO ENVIRONMENTAL SERVICES**

NSF certified packed tower strippers, scrubbers and chemical metering pump skids and system controls.

#### **SCHWING BIOSET**

Bioset - Class A Biosolids Process, Schwing piston pumps, sliding frame silos and container wagons for sludge handling.

#### **RODNEY HUNT COMPANY / FONTAINE**

Sluice gates, aluminum and stainless steel slide gates and stop gates, timber gates, roller gates, cone valves, and butterfly valves.

#### **WARMINSTER FIBERGLASS**

FRP buildings, algae/odor launder covers, weirs, baffles, density current baffles, launders, FRP slide gates, parshall flumes.

#### **CHEMCO EQUIPMENT COMPANY**

Lime slakers and feeders. Bulk chemical storage silos. Willowtech plow blender.

#### **MILTON ROY**

Hydraulically and mechanically actuated metering pumps, skid mounted systems and controls.

#### **OZONIA NORTH AMERICA**

Ozone and Aquaray<sup>®</sup> UV disinfection equipment.

#### **ENVIROGEN**

Envirogen biofilters for odor control.

#### **JDV EQUIPMENT CORPORATION**

Rotary thickeners, shaftless screw conveyors, grit dewatering screws, screening presses.

#### **FORD HALL COMPANY, INC.**

"Weir-Wolf" algae sweep brush system for automated cleaning of clarifier launders.

#### **VAREC BIOGAS**

Digester gas safety and handling equipment. Relief valves, flame arresters, gas control burners & flares.

#### **FLUID DYNAMICS**

dynaBLEND<sup>®</sup> and dynaJET<sup>®</sup> polymer feed systems.

#### **DACO, DIVISION OF MKI SERVICES, INC.**

Bulk lime silos, cascade aerators for water treatment. Package wastewater treatment plants.

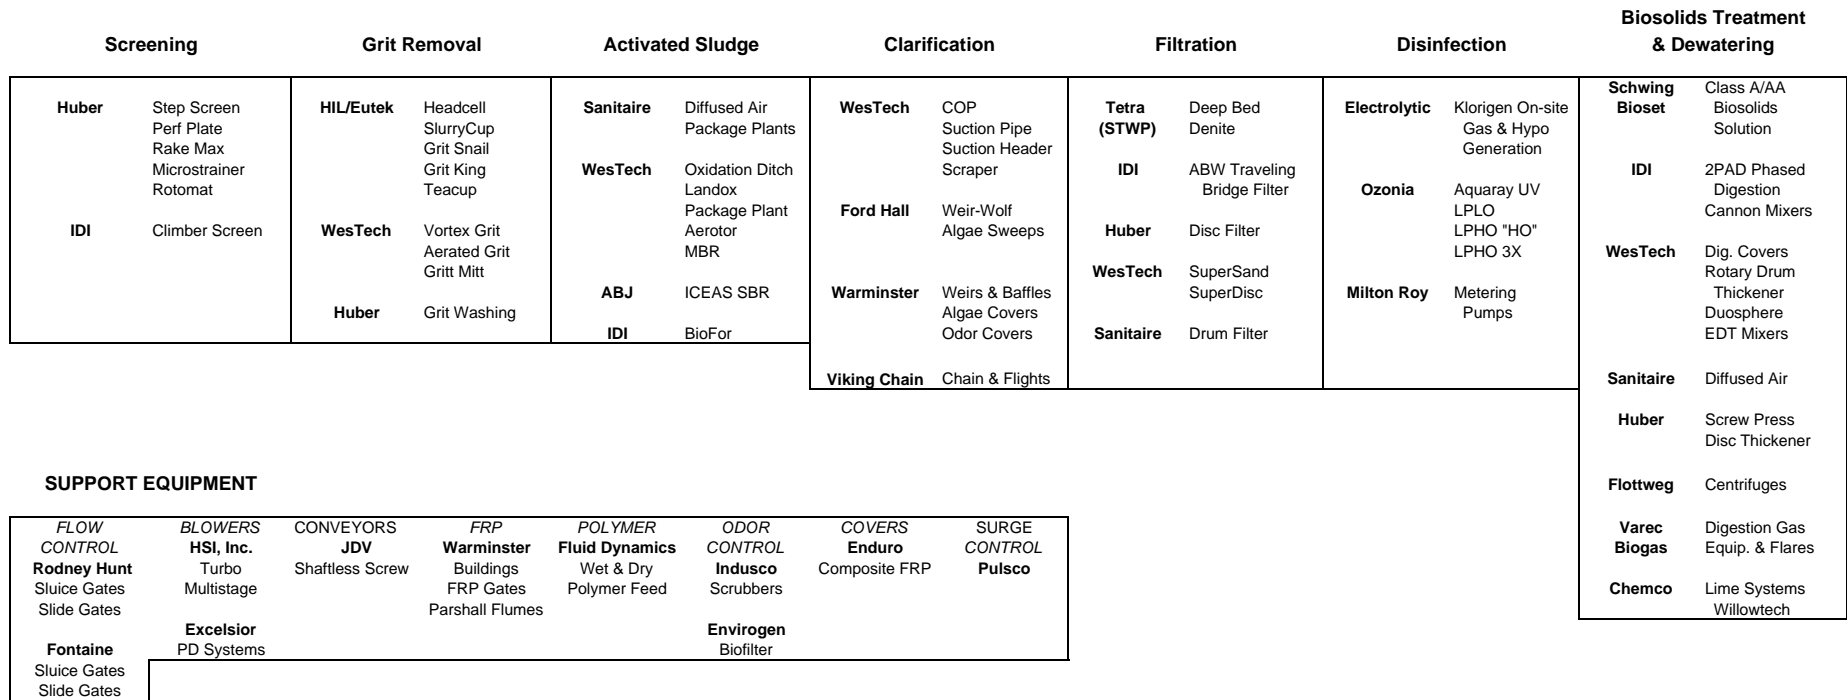

#### **PULSCO**

Surge and water hammer control systems.

#### **ENDURO COMPOSITES**

FRP tank covers and baffle walls.
